Come to the <b>Big Bargain Book Sale</b> and bag another bargain! You never know what you will find.... Fiction, romance, thrillers, biography and autobiography, travel - all are hoping for a new home. Perhaps a good read for your holiday, or to save for the Winter evenings. Buy a book for a friend or family member as well! The Bar Area will be full of wonderful bargains, with plenty of space to browse and find unexpected treasures.</i></p> <p><b>Improve your Bridge with John</b></p>

Did one work of art in particular move you, or stop you in your tracks? Maybe it became a favourite, and (a copy) is now part of your home. After the enjoyable Share your favourite book earlier this year, <b>Pamela</b> invites you to <b>Share your Favourite Work of Art</b>. So that everyone in the group can see the images being described, they will be displayed on the large screen in the Bar area. Please see the next two Wednesday mails for details of how and where to send your digital picture in advance.</i></p> <p><b>Improve your Bridge with John</b></p>

Now he will illustrate how his hobby of <b>Birdwatching</b> has taken him to increasingly far-flung places, from the more distant parts of Europe, where Asian and African species begin to be seen, to the extremes of the planet in the North and South. His most recent adventure took him to the tropical avian wonderland that is Costa Rica.</i></p> <p><b>Improve your Bridge with John</b></p>
