What you can look forward to during October 2026

Friday 2	10.15 10.45

Friday 23	10.15 10.45 12.00	*The* **Library** *will be open until 12.15.* *The topic for this month's* **Speakers' Corner** *is* **Momentum**. *According to the Chinese calendar, 2026 is the Year of the Horse and the energy is momentum, forward motion. To begin, Jane Flin will give a short speech taking us through the changes she initiated with ''My Gardening Journey". Following on, we will talk about the momentum that drives, or has driven, us forward to do something - the passion projects, the travel plans. We will also discuss the goals you have kept on the back burner, lacking the momentum to start. What would be the step, that forward motion, to get us going? Come along to speak, listen or just see where the conversation takes us.* **Improve your Bridge** *with John*	
Friday 30	10.15 10.45 12.00	*The* **Library** *will be open until 12.15, with a break during the performance.* *Our annual* **Music Morning** *has been developed, and will be performed, by Sue & Friends. This year's theme is* **Women**. *Over the years and slowly but surely, women have been coming to prominence in all aspects of life, and today we pay homage to seven female pioneers of classical music, from five different countries and two continents, whose lives span nearly 200 years. All of them faced societal and professional difficulties in gaining recognition in their own right – indeed much of Fanny Mendelssohn's music was published under her brother Felix's name – and all of them deserve to be heard.* *Sue invites you to make a contribution at the end of the performance to the joint collection box for our Voedselbank charity and the Club.* **Improve your Bridge** *with John*
